Article I - Statement

Participation in athletics at Central Catholic High School is considered a privilege with responsibilities. Each athlete who takes advantage of the privilege must also assume the associated responsibilities.

Athletics mean more than competition between individuals. It is, rather, a means of learning a way of life which exemplifies the philosophy that team work, commitment, determination, and good character can result in achievement of individual potential.

An athlete is important to the school. He/she must realize that he/she will be supported and respected by the school community, as long as the actions warrant it. The athletic department will strive to work in partnership with the athlete, in order to develop each athlete’s God-given potential.

CCHS ATHLETES ARE ON DUTY 24 HOURS A DAY!!
Article II - Code of Athletes

The conduct of an athlete is closely observed in many areas of life, and it is important that the athlete’s behavior be above reproach. A good athlete must be an example to others; therefore, the obligations of the athlete fall into four major areas.

A. Competition
   1. Athletes are respectful towards their teammates, opponents, and officials. They abide by all of the rules of the game.
   2. Athletes are modest in victory and respectful in defeat.
   3. Athletes control their tempers when things fail to go as they desire or when being replaced by a teammate.
   4. Athletes avoid profanity and illegal tactics which are signs of poor sportsmanship.
   5. Athletes are aware that participation in athletics is a privilege and accept all responsibilities.

B. Campus/Classroom/Community
   1. On and off campus, athletes should set an example for their classmates. They should promote school spirit and be positive leaders in school and community activities.
   2. An athlete is neat and well groomed, and should not use profanity or vulgarity.
   3. An athlete understands that academic effort and achievement precede athletics.
   4. In the classroom, athletes show respect for their teachers and fellow students.
   5. An athlete maintains good attendance records, satisfactory academic grades, satisfactory citizenship grades, and realizes that athletics is only a part of his/her total education.
   6. Outside the classroom and campus, athletes conduct themselves in a manner that models good sportsmanship and Christ-like behavior.

C. Athletic Trips
   1. Athletes’ should always conduct themselves as good representatives of their family, school and team.
   2. Athletes are conscious of their appearance at all times. An athlete should always be neat and well-groomed.
   3. Athletes always conduct themselves in a mature, responsible manner.
   4. Athletes always respect the property and rules of a host school or facility.
D. Physical/Spiritual Growth

1. Athletes realize that good physical condition is absolutely necessary and are willing to abide by all training regulations.
2. Athletes must have a sound diet and sufficient amount of sleep.
3. Athletes should know alcohol, nicotine, narcotics and performance-enhancing products detrimental to the human body. The use of these substances can destroy the athlete, his peers, and his family.
4. An athlete must realize that he/she must grow spiritually as well as physically in order to attain his/her full athletic potential.
Article III - Conduct of Athletes

The conduct of athletes is closely monitored and observed. Athletes must realize that they are always representing their school and that their conduct must be above reproach in all aspects of campus life.

A. Use and/or the Possession of Alcohol, Tobacco, or Narcotics
   The use and/or possession of alcohol, tobacco, or narcotics of any kind at any time during the season by any member of an athletic team representing Central Catholic High School is prohibited. Any violation will result in a parent contact and possible suspension from the team.

Any act or oral expression that reflects a negative attitude or is given for the purpose of ridicule or defamation of character will be immediate grounds for removal from a contest or practice.
Article IV - Eligibility

Participation in athletics is a privilege. It is presumed that athletes who are representing Central Catholic High School in various athletic activities are maximizing the educational opportunities that are available to them. Continued eligibility for participation in athletics is contingent upon the student maintaining at least a 2.0 grade point average and not having 2 “F’s” or 3 “NI’s”.

A. Academic Eligibility

1. In order to participate in co-curricular activities an athlete must maintain a minimum grade point average of 2.0 for each quarter and not have more than one “F” in any quarter. Athletes who fail this standard will be ineligible for one quarter. The marks received from the most recently completed grading period determine eligibility (1st quarter, 1st semester, 3rd quarter, 2nd semester). Athletes will be notified on the seventh day after the posted grade due date. Ineligibility/Eligibility begins on the eighth day after grades are due.

2. An athlete must have a 2.0 G.P.A. and not more than 1 “F” on the report card for the previous quarter’s grades (all subjects count toward the determination of the requirements in order to be eligible to participate in sports/activities for the next quarter.)

3. In the event an athlete receives below a 2.0 G.P.A. or has more than 1 “F” on the second semester card, he/she will be ineligible in the fall. But, if the said athlete goes to summer school and raises his/her grade and the grade is acceptable to Central Catholic, it may be counted. If, in the re-compiling of the G.P.A., it raises it to a 2.0 or above and there is not more than 1 “F”, the athlete is eligible for participation in the fall quarter. The athlete shall remain ineligible until the grades are received by the registrar of Central Catholic High School. Such an athlete (summer school student) would be permitted to practice but not participate in games until the eligibility is determined by the receipt of the summer school grades.

B. Citizenship Eligibility

In order to participate in co-curricular activities an athlete must not receive more than 1 “UN” and 2 “NI’s” or a total of three less than satisfactory grades. The previous quarter grades determine eligibility. Athletes will be notified the seventh day after the posted grade due date. Ineligibility begins on the eighth day after grades are due.

C. Awards and Block Letter Eligibility

1. Any athlete who completes the entire athletic season of a sport is eligible to receive any awards, honors or “block” associated with that sport.

D. Attendance Eligibility
1. Any athlete who is absent from school two or more periods will not be allowed to participate in any athletic events during that day. Excessive absences or abuse of this rule are subject to review by the Athletic Director and may result in ineligibility for a longer period. Exceptions will include: appearance in court, attendance at a funeral, written verification of a doctor’s appointment and school sponsored activities. Any other exceptions are at the discretion of CCHS Administration.

Athletes may have to take out additional insurance in order to compete. This requirement may be satisfied through the policies carried by the athlete’s family or by diocesan and school approved policies.
