Your student will be paired with a current CCHS student around the same age and who shares similar interests. Our next Shadow Day is taking place on Thursday, April 11th. A morning snack and a catered lunch are provided.

President’s Corner...

“April showers bring May flowers” is a reminder that even the most unpleasant of things, in this case the heavy rains of April, can bring about very enjoyable things indeed – in this case, an abundance of flowers in May. We have been praying for rain for many years as we experienced the drought – our prayers have been answered. We now look forward to a beautiful spring with of course “May Flowers”.

Ladd Field: As I reported last week we have an official go for Ladd Field. Our fundraising efforts have secured enough donations and pledges to get us started. This week we met with our contractor and discussed the various components of the project. We would like to off-set costs by in-kind donations. Please contact me if you have interests in helping out or may know of someone or a business that might be interested in this exciting project. Areas of special interests including fencing, cement work, sod, and irrigation. The experts tell us it will take four to six months to fully complete the permit process and up to four months for construction. We will keep you posted on our ground breaking plans. It will be great to have our Lady Raider Softball team back home.

Foundation: The foundation board of trustees met this week to take a look at finances, investments, campaigns and possible restructuring of the corporation. Investments have made a definite turnaround since December but will most likely fall short of budget this year. As mentioned above the fund development for the Ladd Field project was conducted by the foundation – with that in mind we had a good discussion about the status of the project. Finally, we are looking at a restructuring of the foundation to align it solely to building our endowment for scholarships and conducting major campaigns in the future. I will keep you posted on how this all unfolds.

Alumni: I had the pleasure of meeting with the Alumni Associations “50th Reunion Celebration” scheduled for the fall of 2020. Our plan is to take advantage of the Class of 1970’s 50th Reunion – by hosting a school-wide reunion inviting all the classes back to CCHS to celebrate our history and success over the years. Thanks to our alumni association and especially our coordinator Mrs. Susan Garke for spearheading this opportunity.

Coming Up:
Marketing Committee meets on Monday April 8 at 5:30 pm
Finance Committee meets on Wednesday April 10 at 7:00 am
Open House is being held on Wednesday April 10 at 6:00 pm – Please join us and bring a friend.
School Board meets on Thursday April 11 at 6:00 pm

Principal’s Corner...

I hope this message finds you in good health and reflective spirit.

A quick check of my Liturgical Calendar indicates that today is the feast day of Saint Vincent Ferrer. Saint Vincent Ferrer is celebrated for his efforts to end the Great Western Schism, in which the Catholic Church, between 1378 and 1417, had up to three rival popes, with all of the disruption that would cause. After helping to elect Ferdinand I King of Aragon and persuading him to stop supporting Benedict, one of the rival popes, Saint Vincent Ferrer helped end the schism.

Yesterday, Thursday, April 4th, CCHS celebrated the students of the 3rd quarter with a pizza lunch in the lobby of the Mark Gallo Health and Fitness Center. Thanks to Ms. Green and Mr. Hylla for setting up the luncheon. The students of the 3rd quarter are:
Freshmen: Brooklin Thomas and Spencer Cole
Sophomores: Max Pezoldt and Anne Dunn
Juniors: Kyndal Bockhahn and Nick Sani
Seniors: Cade Jiminez and Nadia Estacio

We also hosted another Shadow Day for 8th graders who got to experience what a day in the life of a Central Catholic student is like. We always enjoy having students from all over come to our school and learn more about who WE are.

God bless you!
