Easter Sunday is just around the corner – where has this year gone? Ask anyone of our seniors and I have no doubt they can tell you the exact number of days left this year. With Easter Vacation coming up we actually have less than five weeks to go. Keep our students, staff and families in your prayers – this is an exciting time of year.

Ladd Field – Speaking of excitement we are looking at having a ground breaking ceremony this spring that will officially kick off the Ladd Field Project. Right now we are looking at May 14th at 3:00 pm. Once we get some more feedback on this date we should be able to lock it in within the next week. We will keep you posted.

Catholic Professional Business Club (CPBC) meets here every second Tuesday at 7:00 am in the Mark Gallo Health and Fitness Center Lobby. Each meeting has time to socialize, eat breakfast and hear from a leading business person. We usually wrap up the gathering around 8:15 – in time to get to work. They are kicking off a membership drive and would like to extend an invitation to any of you who would like to experience our club. Come join us on May 14 – breakfast is $15.00 prepared by our very own Marco Canella.

Marketing Committee met this past Monday reviewing some of our efforts to market our school and build our enrollment. Currently we have about 105 applications for next year. Thanks to all who joined or helped us out in our open house on Thursday. It is not too late to apply and enroll for next year. As we go forward we are looking at opportunities to get out to our parish religious education programs, public junior highs not attached to local high schools and our friends from the southern end of our Diocese and north end of the Fresno Diocese. We welcome your ideas, support and commitment to take our story further into this community.

Ag Aware Luncheon. On Thursday we joined up to 500 business leaders from our community for the annual Chamber of Commerce Ag Aware Luncheon. We were so proud that our very own Josephine Henderson was one of two FFA leaders who shared her story. She did a fabulous job – and our Chapter was well represented with our very own head – Nicole Morris as a member of the committee that pulled the luncheon together. Great job to all.

Personnel Update: At this time I need to announce that our IT Director Mr. Staley has resigned from our school. His last day was Monday, April 8, 2019. During this transitional time we have contracted with Mr. Eduardo Sanchez (Current IT Director for the Diocese of Stockton) to assist us. We have also created a Tech Committee Task Force to help guide decision making in how we support our systems, students, staff and community as it relates to technology. Change can be difficult – however, I strongly believe we have the right team in place as we go forward. Please join me in thanking Mr. Staley for his 17 years of service to our school and also welcome Mr. Sanchez to our community.

Coming Up:
Holy Thursday – April 18, 2019 – School will be dismissed at 12:15 pm
Easter Vacation – April 19 through Sunday April 28 – School Resumes on April 29

- During lent, we will have gospel reflections on Monday, Wednesday and Fridays at 7:35am. We will read the Gospel of the day and the Gospel Reflection written by Bishop Barron and conclude with an Our Father. Again, all parents, students, friends and staff are welcome.

Some of our students attended VOL Leadership Day on Tuesday. The theme was “Born in the USA” and our students dressed up like the Secret Service to protect ASB President, Dane Juarez.
