Swing for Central

This past Monday, over 100 golfers gathered at the Del Rio Country Club to show their support for Central Catholic. Participants played 18-holes of golf while enjoying food and beverages from a variety of sponsors. The day ended with a delicious dinner, live auction and hearing from CCHS students about why the vineyard sports complex is important to them. Thank you to all of the volunteers, sponsors, participants, students and Del Rio for another wonderful Swing for Central Event.
Elisabeth Watkins ‘18 Named Cowbelle of the Year

Elisabeth Watkins ‘18 was awarded CowBelle of the year for the California CattleWoman chapter. This award singles out an outstanding member who dedicates a significant amount of time and effort to promote the beef industry. Congratulations, Elisabeth!

Events and Opportunities

A special congratulations to all the staff and volunteers that came together this past week to offer both Boots ’n Bluejeans and Swing for Central. These important events not only provide an opportunity to build community – but they also provide resources to fund our agriculture and athletic departments.

Boots ’n Bluejeans: As many of you know our Agriculture Department is only five years old. In fact, we were the third private school in the state of California to offer such a program under the umbrella of FFA. With the hard work and vision of our department chairperson, Nicole Morris, and the agriculture board they have chartered out an exciting future. Since day one the students in this program have been engaged in classroom activities, leadership opportunities, service to our community, state and national conventions, our county fair and much more. They have won countless awards over the past five years and have been recognized by their peers as one of the top programs in our area, if not the state. We are certainly proud and appreciative of all they do. We are just as proud and appreciative of the tremendous support they have harnessed through Boots ’n Bluejeans. This past weekend was another tremendous success. The proceeds of this event enables them to support their vision, and seed the funding for the future. During the event our leader, Mrs. Morris, shared plans for a future Agriculture Lab located to the east of the current campus. This will be an exciting opportunity to take the program to the next level. Again, thank you to all who participate and invest in CCHS Agriculture – we appreciate your support.

Swing for Central: Unlike Boots ’n Bluejeans, Swing for Central was established 42 years ago by Bud Patton. Our football stadium is named for his son who lost his life in a car accident while a student at CCHS. It was Bud’s vision to offer an annual golf tournament to help fund the athletic department of CCHS. Over the years it has funded supplies, equipment, vehicles for transportation, facility enhancements and much more. This year’s tournament proceeds are going to the funding of our Vineyard Sports Complex that will include Ladd Softball Field, Outdoor Volleyball Courts and sports fields that will ultimately support Track and Soccer. We had over 130 players come together at Del Rio for a day of fun. The course was beautiful, the volunteers were great and, of course, the competition was tough. At the end of the day we raised about $60,000 towards our goal. Again, we appreciate all the support of our donors, staff and volunteers.

Enrollment: Believe it or not, it is time to kick off our enrollment season for the 2020-2021 school year. First on the calendar is our annual 8th Grade Day coming up next Friday, October 4, 2019. Ms. Nelson, our Director of Enrollment and Marketing, and Mrs. Paris, our Director of Student Activities, have a fun filled and informative day planned. I would like to call out to all of you to help promote this day by encouraging 8th graders that you may know to come out and “check us out”. You can contact Ms. Nelson at nelson@cchsca.org or call her directly at 209-338-2615.

God Bless,

Jim Pecchenino ‘72
Volunteer Fair 2019
Thank you to all those who attended the volunteer fair!
