$100,000 Challenge

We’re in count down mode! Earlier this year Dave and Gloria Mraz presented the CCHS Foundation with a challenge – if we raise $100,000 for our Endowed Scholarship program by November 1, they will match those funds. This is the third year that the Mrazs have so generously made this offer – and we have consistently met and exceeded their challenge. This has been a tremendous benefit to our Endowment and, thus, to our scholarship program, enabling us to increase the amount of money offered in assistance to our parents each year. Our Endowed Scholarships are those in which a sum of money has been invested with only the interest used each year to fund a scholarship. Anyone wishing to start a new scholarship or contribute to an existing one, contact Joan Hart in the Foundation Office, hart@cchsca.org before November 1. In effect, your gift (which is tax deductible) will be doubled!
