Thank you to all those who came out to the Gallo Center for the Arts this past week to show your support our Fine Arts Department. It was a big success thanks to the time and effort that our Fine Arts Department (Elizabeth Swilley, Sara Roth, Trevor Guina and Kyle Casey), students, parents, and the Gallo Center staff members put into it all.
Supervised Agriculture Experience Project

Lena Magee ‘20 has been involved in the Agriculture program all four years at Central Catholic. Her entire life she has been around cavies and rabbits. She grew a large passion for them and began a breeding program. When Lena got involved in FFA, she began her Supervised Agriculture Experience Project where she now breeds cavy and rabbits.

Harkness Institute Exchange Program

We are looking for families to host students from the Harkness Institute Exchange Program from January 20th—February 3rd. Families who are interested in hosting a student should contact Lori Green (green@cchsca.org) to learn more.

Advice to High School Students from Current Staff & Faculty

CCHS Staff and Faculty were asked to share advice with our current students. Each week we will share a new response:

“Get involved, try new things - get outside your comfort zone - this is the best place to do that because you are surrounded by your friends and your CCHS family who are here to support you!”

Happy Thanksgiving! Here we find ourselves closing in on the end of November with Thanksgiving less than a week away. WE have had a great first semester with many things to be thankful for – here are just a few that come to mind

- Funding for our technology infrastructure has been significant and enables us to take huge steps to update our infrastructure and support for students and staff.
- The addition of all our new staff has been a blessing from the classroom to the offices of CCHS. God has blessed us with some great people who understand our Mission and are passionate about their ministry.
- Speaking of Ministry, we are also grateful to our Bishop Cotta for assigning Fr. Suresh to CCHS. He and Mr. Driver, our Dean of Formation, along with our Theology Department Chair, Mrs. Velazquez, head up our “spiritual team.”
- Enrollment is up this year 3.5% over last year and has grown since the day the doors opened back in August. Thanks to all who have helped with this effort including our Director of Enrollment and Marketing, Ms. Nelson.
- The “Culture of Learning” vision championed by our Principal, Mr. Sawyer, and our new Assistant Principal, Mrs. O’Connor, is off and running. Professional development for our teachers, technology support for our campus, resource support for both students and staff, and much more is a direct result of their vision.
- Speaking of Resource, thank you to our Resource Specialist, Mrs. Duncan. She has hit the ground running and has already made a huge impact on students and staff alike.
- Thanks to all of our donors, Swing for Central broke a record this year in net proceeds. Boots and Blue Jeans was a huge success along with the Boosters Brats ‘n Beer event. WE also have had a number of donors continue to support the MGHFC and our Softball and Vineyard Sports Complex project.
- How about our fall sports? What school do you know of that sends someone and/or a team to all the playoffs offered by CIF for each sport we offer. And a special shout out to the Lady Raider Volleyball team – second in the Northern State in DIVISION II. We are proud of and grateful to all of our athletes and coaches.
- Volunteers at CC are tops. Not only did our students win first in the Nation on Helper Helper for their service but we also had hundreds of volunteers give hundreds of hours to help with all our school from the classroom to the events. God bless all of them.
- I know I am leaving out other important opportunities to thank – so let me end by thanking God for the many blessings He has bestowed on our school. We are truly blessed to be called to do His work. Have a happy Thanksgiving!
