Important information for CCHS Cheerleading

Parent/Guardian potential cheerleader meeting on Thursday, March 12 at 6:00pm in the Library to go over what is involved in being a CCHS Cheerleader - including the cost, the schedule, tryouts, etc. Potential cheerleaders do not have to attend but it is highly recommended that they do attend so they will know what to expect of the process this year.

There is a **tryout clinic on Thursday, March 26 & Friday, March 27 from 3:30-5:30pm in the Glynn Hall Gym.** You will be learning the tryout cheer and routine. All potential cheerleaders must turn in all their paperwork (which we will hand out on the 10th) and **be registered at CCHS for the 2020/2021 school year BEFORE** they will be allowed to tryout. Paperwork must be turned in by **Wednesday, March 25** or they will not be allowed to try out.

**Tryouts will take place on Saturday, March 28 starting at 8am.** We will start with incoming seniors and work our way down to juniors, sophomores, and incoming freshmen. Therefore, the incoming freshmen will have extra time to practice and some of the outgoing senior cheerleaders will be there to help the incoming freshman with the routine.

Tryout results will be posted online after judging has been completed later Saturday afternoon (Advanced Dance Facebook Page).

There is a **MANDATORY uniform fitting Thursday, April 2 on at 5:30 pm** for the young ladies who make the squad. At this time the first installment of the fees for the year will be due - **no exceptions**. The location will be announced at a later date.

**Summer practices will be held Monday, June 15- Friday, June 19, 10am-1 pm & Monday, June 22 & June 23, 10am-1 pm**

**Cheer camp this year is set for June 24 - 26 (will be held at CCHS) and is also MANDATORY - so anybody who is planning to tryout needs to keep that in mind.**

School Visits Continued

WE were fortunate enough to be able to speak to students at Hart Ransom and Our Lady of Miracles in Gustine this past week. Students at both schools asked great questions and our students enjoyed sharing why they chose CCHS. Thanks again for having us!
Academic Decathlon

On Saturday, February 1, our Academic Decathlon team will gather at Johansen High School to compete with other schools in the Modesto region. This year’s topic is “In Sickness and Health: An Exploration of Illness and Wellness. Students will test their knowledge in a variety of topics such as Math, Science, Social Studies, and Art. This year, our team members (Sarah Grimes, John Finnegan, Delaney Nunes, Cesar Antillon, Rheanne Ferrer and Hugh Huerta) will also be participating in the Super Quiz. The Super Quiz is the live portion of the competition in which students compete to answer the most correct questions on a variety of topics.

We hope to see you tomorrow!

Wrestling Tournament Results

Congratulations to our wrestling team who did an incredible job at Saturday's tournament.

We went home with three 3rd place medals (Russell Ferrer ‘23, Rheanne Ferrer ‘22, and Daniel Revuelta ‘20) and a gold medal (Faalia Martinez ‘20). These students have been working hard and we are so proud of them!
Where did January go? This week has been filled with activities, spirit and, of course, Raider Pride. Thanks to all our staff, students and parents who participated in both Homecoming and Catholic Schools Week activities.

This week I am approaching my article by using the “Did You Know” prompt. Here we go...

Did you know –

History...
- CCHS opened up in 1966 with a freshman class drawing students from all over Stanislaus County
- When the school opened, we had co-principals, co-deans, co-student body officers and the physical part of the school was split in half. To this day our girls’ restrooms and boys’ restrooms are located in separate parts of the school
- The “Old Gym” as it is being called today is actually dedicated to our first Co-Principal – Father Glynn. And our Library is dedicated to our other first Co-Principal – Sister Irene
- The Augustinian Priests and Holy Cross Sisters “Co-Founded” the school and guided all the construction decisions when the school was built. The first building to be built was Glynn Hall
- Tuition back in 1966 was $200 per person with no scholarship program
- CCHS actually owned its own bus, helping families get to CCHS and travel to and from field trips and games
- Twenty years ago we adopted the WE philosophy for our athletic program and within one year we adopted it as a school wide program
- Our original colors were Royal Blue, Yellow and White

Today...
- We will be celebrating 50 year of graduates on September 5, 2020 when we offer our first all school reunion
- Our administrative structure includes a president and principal. At the time we started this structure only 20% of our schools had this structure; today over 60% of Catholic High Schools have a president/ principal model
- Our “new gym”, the Mark Gallo Health and Fitness Center, is not just a gym – it is a fitness center. It not only houses a gym floor, it also offers the John Bosio Fitness Center, our Nutrition Lab, two classrooms for agriculture education and a lobby, “Boags Place”, that supports banquets and meetings
- Our full-time chaplain, Fr. Suresh, is from India “on loan” to our Diocese for 10 years. During the month of January, he is enjoying time with his family at home in India
- Our first building built was Glynn Hall – the most recent one is the Mark Gallo Health and Fitness Center. WE plan to break ground this spring on Ladd Softball Field, Outdoor Sand Volleyball Courts and an open grass area
- Tuition today is over $11,000 with over $1.1 million in scholarship/tuition discount support
- Though we no longer own a bus – we do rely on a comprehensive car pool system to help students come and go each day. Some students also use public transportation to travel to school
- We celebrate our WE awards during Catholic Schools Week. We have updated our logo and changed our colors to Navy Blue, Vegas Gold and White... Go Raiders

In the early days as well as today, we have been blessed to have talented students. Each year we have recorded a significant number of students earning honors for their academics and citizenship while also participating in co-curricular programs and serving the needy in our community. God bless Central Catholic High School.

Thank you to all for your support, commitment, dedication and passion. And best wishes and thanks for a great Homecoming and Catholic Schools Week.

God Bless You,
