The health and safety of our CCHS Family is of the utmost importance to us. Regarding the status of on-campus school operations, we will take direction from the Stanislaus County health and/or safety management agencies, as well as the Diocese of Stockton. In the event that either the county or the diocese determines that it is necessary for CCHS to suspend on-campus operations, we have developed a distance learning plan.

Currently, CCHS is open and operating with appropriate health precautions. If CCHS suspends on-campus learning, our plan will be implemented. The Principal will send email communications to parents, students and faculty/staff making this announcement and delineating a timeline for implementation. An exact date will be designated when distance learning will begin for CCHS students. The two school days preceding this designated date will be classified as workdays for CCHS’ faculty and staff, who will be expected to be on duty, either physically on campus or remotely, depending on circumstances and safety conditions. Students will not attend school or be required to begin distance learning until the date designated by the Principal. During the two preceding workdays, the administration will prepare to share more specific information and guidelines with parents, while teachers will arrange to launch their classes online.

I will periodically send email updates to parents and faculty/staff apprising them of any pertinent information about when CCHS might reopen for regular classes. As with the decision to close the campus, the decision to reopen the school for regular classes will follow the guidelines of Stanislaus County health and/or safety management agencies.

If there is a need to implement a distance learning plan, WE will continue to endeavor to provide your students with rigorous and relevant curricula and meaningful learning experiences.

We continue to keep those who are affected by the COVID-19 virus in our prayers. If you have any questions, please don’t hesitate to contact the school.

Easter is coming quickly! Please plan ahead. Any physical gift card orders needed in time for Easter must be placed by Thursday April 2, 2020 before 3:00 p.m. to ensure delivery before Easter break. This includes placing your order directly through ShopWithScrip. Orders placed after 3:00 p.m. April 2nd will not come in until we return from Easter break.

**Have you met your Scrip requirement?**
The end of the Scrip year is coming fast. Remember April 30, 2020 is the last day to purchase Scrip for the current year. All families are required to participate. If you have questions about this program, please call Carol Fields direct line (209) 338-2656 or email her at fields@cchsca.org

**BASH 2020 Postponed**

To protect public health and slow the rate of transmission of COVID-19, the California Department of Public Health has issued a statement suggesting that all non-essential gatherings of 250 people or more be postponed through the end of March. This includes events such as BASH. As you know, BASH is an essential part of our community, not only to raise necessary funds for your school operations but, just as importantly, to build community. For that reason, WE are not canceling BASH 2020 but are **postponing it until April 18, 2020.**

WE hope that all of you who have already made reservations can still join us on this later date. If you have not made your reservation and are able to join us on Saturday, April 18, WE will be able to accommodate you.

Please contact Mitzi Lucas at 209-524-6818 if you have any questions.

Thank you for your understanding and continued support.

Student Life Event

On Tuesday morning, WE held an assembly for a guest speaker, Ray Lonzano, who is a Drug & Substance Prevention Specialist. He spoke to the students and staff about the dangers associated with marijuana and vaping use and the impact they have on our bodies and minds. Our assembly was sponsored by the Elks National Foundations. If you are looking for more information regarding the facts he gave us today you can find them on the FDA-U.S. Food and Drug admin. Also under CDC-Centers for Disease Control and Prevention.

Advanced Dance Tryouts

Important information for Advanced Dance Tryouts
Advanced dance meeting will be held on Tuesday March 31 at 5pm in the library at CCHS to go over what is involved in being a CCHS Advanced Dancer (including cost, schedule, tryouts, etc.).

All potential advanced dancers must be registered at CCHS for the 2020/2021 school year BEFORE they will be allowed to tryout.

Tryouts will be Tuesday, April 7th from 3:30pm - 6:00pm in the CCHS Glynn Hall gym. You will be learning different combinations and/or dances in different styles of dance (lyrical/contemporary, jazz & hip hop). Please wear a black tank/shirt with black leggings, hair in a high ponytail and bring jazz shoes and tennis shoes as well.

If you have any questions please contact Dance Teacher: Liz Swilley at swilley@cchsca.org
