During her 35 year tenure at Central Catholic, Chris Wilde taught several subjects but is most fondly remembered as the chair of the science department. After retiring (for the second or third time) a few years ago Chris and her husband, Dan, moved back to his roots in Wisconsin. However, they have never forgotten Central Catholic and our students. This year Chris and Dan are offering two $2,000 scholarships for graduating seniors going on to college with plans for careers in the sciences.

This year’s Christine and Dan Wilde Scholarships go to Rebecca Flunker and Zytlali Gomez, two very deserving young ladies. Zytlali is planning to attend Texas Christian University under the ROTC Program, majoring in pre-med, while Rebecca will travel to the East Coast to attend Wellesley College and major in Bio-Science. Both girls go with all our best wishes for the successful futures we know they will have.
Christian songwriter, Matthew West, has an important message he wanted to share with our graduating seniors. He hopes this can bring some encouragement to the Central Catholic seniors and will continue to keep us in his prayers.
