The Class of 2020 woke up on Wednesday morning to find this sign outside their homes. Our Activities Director, Kari Paris, as well as Senior Class Moderators, Tiffany Galas and Matt Yonker, drove to the houses of every CCHS Senior to place these signs in their front yards. WE love our Seniors and want to remind them that it is a time to celebrate their accomplishments, regardless of the current circumstances.

Thank you to all those who helped to make this possible: Eric Paris, Billy Hylla, Mary Carol Henderson, Matt Henderson, Josephine Henderson ‘19, Liz Swilley, Dane Juarez ‘19, Denyse Halvorson and Devyn Halvorson ‘19.
Alumni Heroes

Sara Pimentel, from the Class of 2011, went to Dominican University of California after graduating from CCHS. At Dominican, she played on the women's soccer team for 4 years and received her Bachelor of Science in Nursing 2015. She started her career as a Registered Nurse in Pediatrics (only for 6 months) and then transferred to the Emergency Department and has been working in the Emergency Room ever since. Over the last couple of years she has taken a lot of time off to travel. Last year, she applied for her nursing registration in Australia and in September relocated there. She received her license in December and started working shortly after.

However with the spread of COVID 19, Australia began cancelling international flights, so she returned to California so she could be close to her family. She is now on a traveling nurse assignment and is looking forward to getting on the frontline with her fellow healthcare workers.

Sara would also like to encourage everyone to please check out the ‘RVs for MDs to fight the Corona Virus’ Facebook page. It is a group created to match healthcare workers with an RV or trailer to stay in during this time so that they do not risk infecting their families, especially if they live with someone who is high risk. If anyone has an RV or trailer they can lend it to someone in need!
The Theresa Lara Memorial Scholarship

Theresa Lara was a CCHS past parent, avid BASH volunteer and wonderful wife and mother. Her family has almond ranches in the West Side and she loved cooking and farming above all. A scholarship for Central Catholic seniors going on to college in the agriculture field was established upon Theresa’s death several years ago.

This year’s decision of a recipient was a difficult one and the family chose to give out two $500 awards, to Emily Cambra and Bailey Scheuber. Emily will continue her education in Ag Business at Modesto Junior College while Bailey is headed to Cal Poly, San Luis Obispo to study Agriculture Systems Management so that she can create advancements for the agriculture industry.

Please join us in congratulating both girls and wish them well in their college careers!
