Teacher Appreciation Week!

Coach Hylla and his daughter Berlin delivered special treats to EVERY teacher to show our appreciation for them during Teacher Appreciation Week. Thank you to ASB for providing these treats and to the Hylla family for putting it all together and delivering them to our incredible teachers.

Along with the special treats, students expressed their appreciation for our teachers through videos and letters on the ASB Instagram account. Take a minute to read through the numerous posts that show how much they are appreciated! It’s a WE thing!

BASH 2020 - Live Auction!

Thank you to all who participated in our Silent Auction this past week. We still have so many wonderful items available for our Live Auction! The Live Auction is on Saturday, May 9 at 7:30pm. Make sure to register so you don't miss out on this fun event. Please visit https://www.cchsca.org/support/bash for instructions.

Email Mitzi Lucas (Lucas@cchsca.org) if you have any questions.
Raymon Birring, MD from the Class of 2008, is a first-year Family Medicine Resident at Robert Wood Johnson - Somerset in Somerville, New Jersey. He earned a Bachelor of Science Degree from the University of California, Davis in Neurology, Physiology, and Behavior (NPB). Dr. Birring completed his medical degree at the American University of the Caribbean. For the last two years of medical school he did the vast majority of his training in New York City, mainly in Brooklyn.

“As you know, COVID-19 is hitting the Tri-State area particularly hard. Our hospital has been on “diversion” more days than not in the last two weeks, meaning that we are at maximum capacity. As the only residents at this hospital, we serve some crucial roles. Our team of 21 residents does everything- from delivering babies, to admitting patients to our care in the hospital, to providing house coverage, to taking care of patients in the office. You name it we do it. None of these basic responsibilities has changed, but now we are managing these patients while they have COVID-19. The number of “rapid responses”, a term used for an unstable patient that needs immediate physician attention, has risen and the numbers of very sick patients are at levels we have never seen before. We have drastically altered our residency schedule to help counter the unprecedented strain on the healthcare system. Every single person in the hospital is stepping up to the call and it has been an amazing thing to witness and be a part of. That, along with the outpouring of community support, has me feeling hopeful in these difficult times. Stay safe, stay home, and wash your hands!”
Congratulations to two more seniors who have won college scholarships through the Central Catholic High School Foundation.

The Sacchini Family Scholarship goes to Bella Rossini this year. The Scholarship requires that the recipient have a 3.5 or greater grade point average and be going away to a four-year college. The Sacchini’s felt that the experience of living away from family was an important aspect of a college education. Bella will be going on to CSU Fresno, majoring in criminology.

Emily Cambra has received the David Morris Memorial Scholarship, presented to a student going on to study ag or ag business. David was a graduate of Central Catholic and his family established this award in his memory. Emily will attend Modesto Junior College in the fall, enrolling in their ag program.

Senior Events

1. Graduation announcements are available for pick up at school on Friday, May 8, between 10:00 AM and 3:00 PM. Students can pick up the announcements in the front office. Social distancing guidelines will be in effect.

2. We are still awaiting the delivery of graduation caps and gowns. Students will be notified as soon as they come in and will be able to pick-up at the school (it will be a drive-thru in front of the school). Details will be sent out as soon as they are available to pick-up.

3. Baccalaureate Mass is on Thursday, May 28 at 6:00 PM. It will be live-streamed from the Our Lady of Light Chapel. More information will be sent out closer to May 28.

4. We are planning on a live graduation ceremony on May 30 on the football field, using the social distancing guidelines. Guests will be limited to immediate family, which includes parents and siblings only. We are also planning to have it live-streamed on Facebook. Kari Paris will be sending out more information about exactly how this will work, so please look for that email in the next couple of weeks. Please note that we are waiting on the final approval of this from local health officials as well as Bishop Myron J. Cotta.

5. Any more specific questions should be directed to Kari Paris (paris@cchsca.org).
